An Affordable Education

Fredonia has many ways to help you achieve your degree. Financial aid packages include grants, loans, and employment on campus. These programs are funded by federal or state monies. Funds are awarded based on documented need as determined by the required Free Application for Federal Student Aid (FAFSA) filed by you and your family.

Due to Prior-Prior Year legislation, please know that the 2018-'19 FAFSA will be available on Oct. 1, 2017 to complete. Beginning with the 2018-'19 FAFSA application process, students and parents will be reporting Prior-Prior Year income within their online FAFSA application. This new legislation will enable the majority of families to transfer their prior-prior year federal tax return data via the Internal Revenue Service (IRS) within their initial FAFSA application.

Fredonia also has hundreds of scholarships available, all of which can be viewed at www.fredonia.edu/scholarship. In 2017, more than \$7 million in merit and need-based scholarships were awarded to students.

The Financial Aid team will also help you with the application process for both federal aid and campus scholarships. If you have any questions, call (716) 673-3253 or email financial.aid@fredonia.edu. You can also make an appointment with a financial aid counselor.
